

# WAX REMOVER

## FEATURES

---

Contains only less than 2% of surfactants, aliphatic hydrocarbons and phosphates.

This product is more than 90% biodegradable.

Removes old layers of wax from all water-resistant surfaces: bricks, marble, plaster, sandstone, varnished wood, etc.

## INSTRUCTIONS FOR USE

---

Dilute with 4 to 8 parts hot water, mix well, apply and leave on for at least 5 minutes.

Remove dirt quickly with a stiff brush or sandpaper. Rinse thoroughly with water and remove all residue.

## CONSUMPTION

---

Approx. 0.03 lt /m<sup>2</sup> per coat

## RECOMMENDATIONS

---

Mild irritant. In case of contact with eyes, rinse thoroughly with fresh water. Do not inhale or ingest. Consult a doctor if symptoms persist. Do not dispose of waste in the drain.

Keep out of reach of children.

## CLEANING AND PRESERVATION

---

Clean tools with water. Apply and store at temperatures between 5°C and 35°C. Store for 1 year in its original sealed packaging in a dry, frost-free place.

1 liter packaging.
